

MAYOR'S CORNER

Many Outstanding Citizens

As I have said many times, we have some of the most community oriented and dedicated citizens to be found anywhere. They try to improve our quality of life and have fun doing it. I recently went to the 75th year celebration in Roy and front and center in the ceremony was our own Riverdale City Band. They performed several musical numbers and were warmly received for their contribution to the program.

This band had very humble beginnings in January 2003, when Mrs. Jaunette Porter had an idea to start the group. She knew a few people that had experience from years past, with little opportunity to use their talents since school. There were about seven original band members she recalls, and three continue to this day. Their numbers quickly grew to 20 members within the first six months and now they number about 25. They work hard to improve with two rehearsals weekly of about 1.5 hours each session.

The band holds annual summer and Christmas concerts in Riverdale. They have also performed in many other locations around Weber, Davis and Salt Lake Counties, including Layton Amphitheater, Ogden Amphitheater, South Weber Parade, Roy Days, the Bonneville Boy Scout Council Pow Wow, Salt Lake Community Picnic and the Salt Lake Movie Night. They have also entertained many senior citizens at Legacy Village, Apple Village, and Harrison Regent retirement homes.

Training Others to Achieve

One of the most rewarding things for Jaunette is to see husbands and wives and their children participate together in the band. It is rare that you get to see that kind of family involvement and it is very rewarding. There are individuals in the band that have been playing for 50 years and some that have only been playing for 2 years. The unique part of the band is that everyone tries to help each other to learn more and improve the skills from where they are to where they want to be. The synergy of the older and younger is a great blend and gives a great mentoring opportunity for improved performance. Two of the band members improved to the point that they received scholarships to Weber State University.

Thanks to all of the fantastic band members for the time and effort they give to make life better for everyone by putting their talents to good use for all of our pleasure and enjoyment. Keep up the good work and keep the great music coming. We congratulate you all as "Outstanding Riverdale Citizens" and especially Jaunette Porter for her vision, determination and dedication.

Thanks for all you do to make our city great.
