

### MAYOR'S CORNER

#### RECYCLING FEES

Some benefits of using Riverdale City's recycling program are that it has reduced the amount of material which is disposed in landfills and has also reduced the amount of the tipping fees paid for by the city to dispose of garbage and waste. Tipping fees are the fees charged at landfills and transfer facilities to dump.

Until recently there have not been any tipping fees associated with dumping of recycling products at recycling centers. Instead, these processing centers sort and sell the recycled materials and have made a profit in the past. During the past few years the market for and the amount of money paid for recycled materials have both dropped considerably and is currently very low. As a result of the decreased value of recycling materials, the processing center in Salt Lake City which has been processing Riverdale's recycling material is now charging \$25.00 a ton to dump material at their site.

To avoid raising recycling fees, our contract hauler is now hauling our recycle waste to the Weber County Transfer Station where they are not currently charging a "tipping fee" for recyclable materials. Recently I attended a meeting of the Weber Area Council of Governments (WACOG) where representatives, from the county transfer station have proposed charging a \$17.50 per ton "tipping fee" for recycled materials. This is to cover handling costs. This compares with a \$32.00 per ton "tipping fee" for non-recyclable materials dumped at the transfer station. At this point a decision has not been reached on the new fee at the transfer station. WACOG has appointed a team of officials from Weber County to work with transfer station representatives regarding the proposed fee increase. Riverdale City has both the city administrator and the mayor working as members of the WACOG Committee.

Unless the market for recyclable materials improves, we might expect a fee increase from our recycle hauler to pay for the new tipping fees which would most likely be shared with those that use our recycling program. For right now, we will just have to see how things work out.

#### PANHANDLING IN OUR CITY

If you haven't noticed, there is a marked decrease in the number of panhandlers operating in Riverdale City. Our police department has been working with the panhandlers to help get them to homeless shelters and to other services available to help the needy. The homeless shelters in Weber County provide three hot meals a day for the homeless and many other services to those in need. Shoppers are encouraged to donate money to the homeless shelters where these basic needs are met. Studies have shown that most panhandlers use the money given them to support alcohol and drug habits.

Looking forward to springtime and warmer weather!  
Norm Searle, Mayor

### SPRING CLEANUP

#### CHANGES MADE TO THE ANNUAL SPRING CLEANUP

For the spring cleanup this year, we will be doing a curbside pickup. Residents will be allowed to put their items out on the curb beginning April 15<sup>th</sup>. Curbside pickup will begin on April 18<sup>th</sup>. Please have items on the curb by 7:00 a.m. of the 18<sup>th</sup> for pickup, as we cannot return.

The following rules will be enforced:

- All material must be loadable by hand without the use of heavy equipment.
- Please have items bundled together or bagged.
- Tree branches must be cut in lengths of 5' or less and must be tied together in tight bundles not to exceed 50 lbs. Tree limbs not tied in bundles will be rejected.
- Loose items such as leaves, weeds, grass and shrub trimmings need to be placed in bags or suitable disposable containers.
- Individual refuse items must weigh less than 50 lbs.
- Not accepted: construction material, wood, sheetrock, concrete, sod, soil, rocks, highly volatile material, lead products, asbestos, hazardous waste, refrigerators.
- Do not block mailboxes or fire hydrants.
- Items not meeting requirements will not be picked up.

The city appreciates your cooperation in the cleanup. If you have any questions please call 801-394-5541 ext. 1201.

### TAKE PRIDE IN RIVERDALE

With the new curbside spring cleanup this year, we encourage all residents to participate and to "Take Pride in Riverdale."

We are encouraging all residents to get out and do what they can to make their properties look their best. Please help us work together to make our city an even more beautiful and inviting place to live.

## RECREATION NEWS

### LIVE FIT RIVERDALE 2016

Have you ever wanted to complete a triathlon? Join us for our Live Fit program and take the challenge of completing a triathlon over the course of the program. You will have one month to complete distances in swimming, biking, and running.

Join us for a six-week program to get Riverdale City Residents up, moving and living fit. Come participate in fun events and fitness activities the whole family can enjoy. The Live Fit Riverdale program is free and available to Riverdale City residents only. This is the perfect opportunity for Riverdale residents to become healthier with the support of their neighbors and to stay motivated with the chance to win exciting prizes while experiencing the fitness options we have right here in the city.

**The Live Fit Riverdale kickoff event will be Monday, April 18, 2016.** The event will be an overview of this year's triathlon challenge and basketball fun shot held at the Community Center, 4360 S. Parker Drive at 6:00 p.m. Participants who complete the triathlon challenge for their age group will receive a t-shirt and be entered into a drawing for great prizes. Weekly activities will include: Zumba, Obstacle Course, Cycling, Disc Golf, Run/Walk.

The six week program will run from April 18<sup>th</sup> – May 23<sup>rd</sup> with fitness activities taking place Monday nights beginning at 6:00 p.m. Families of all ages are welcome. Participants arriving between 5:45 and 6:00 p.m. each night will be entered into a drawing held later that night for great prizes donated by local businesses.

Families and individuals are encouraged to register today at [www.riverdalecity.com](http://www.riverdalecity.com) and start living fit! For questions, please call the Riverdale Community Center at 801-621-6084.

### BASEBALL DRAFT EVALUATIONS

### FIRST AID FOR BURNS

#### From the Riverdale Fire Department

Last month we gave you information on how to avoid liquid and steam burns. This month we would like to talk about basic first aid for burns if they should happen.

#### Basic First Aid for Burns:

- Stop the burn process by removing clothing still smoldering and use water to cool the area.
- Apply water only; do not use butter, Crisco, or oils, these will retain the heat in the skin. You can use burn gel for minor burns.
- Cover with a dry sterile dressing to prevent infection. If the burn is minor, you can moisten the dressing for some pain relief.
- Call 911 for burns to the hands, feet, genitals, full thickness, face, or partial and full thickness circumferential burns around extremities and chest. These are considered critical burns and will need special care and handling.
- Do not break any blisters; this just increases the chance of infection.
- Remember, our children and the elderly are more at risk for thermal burns.
