

MAYOR'S CORNER

State of the City

I sincerely hope you all had a wonderful Christmas and pray you have a good and safe new year as well. Our city is doing a little better now with the completion of the Riverdale Road widening project. We certainly appreciate your patience during that project as well as all the other road projects this year. We are cautiously optimistic that sales have improved for our retailers this season. We have had and continue to have many new businesses coming to Riverdale including: Papa Johns Pizza, Larry H. Miller Car Dealership, In and Out Burger, Noodles and Company, Café Zuppa, Jiffy Lube, and 7-Eleven.

We also added many new features to our parks and hope to add more. As you know I have been requesting volunteers to be on a community arts council and have received several, but could use a few more in the area of theatrical productions. We hope to add community plays, sing-alongs and various productions to our evenings in the park to make them much more family friendly. We appreciate your suggestions for our parks and trails made in the 2010 Citizens Survey and will take them into consideration.

Also this last year we dedicated the Veterans memorial and have received many good comments about that. There is legislation in both federal and state jurisdictions proposed to give Veterans status to all those who have served in the military. We hope to be able to include reservists as well as others who served in the very near future as was originally proposed. We appreciate your patience as we continue to work out these details and we'll make you aware of them in the very near future.

Help Us Help You Keep the City Safe

With more winter snow coming, we hope you will be as courteous to our snow plow drivers as well as your neighbors as you have been in the past. Please keep sidewalks and driveways clear for pedestrians, especially the handicapped as well as the elderly. Many people continue to walk and jog for exercise in the winter and we want to provide a safe area for them throughout our city. We will continue to try to keep our trail system free from snow and ice but we urge caution to all who use those facilities as well.

Happy New Year and thanks for all you do for our city.

Bruce Burrows, Mayor

CITIZEN SURVEY RESULTS ONLINE

The Riverdale City Citizen Survey 2010 report has been completed and posted online on the city website at www.riverdalecity.com.

The survey was conducted in the fall of 2010. In the survey, citizens were asked to rate and provide comments on services provided by the city. The report includes the overall results to each question, a side-by-side comparison to the 2006 survey, and submitted comments.

The Citizen Survey is an important communication tool for Riverdale City officials and staff and is used in the following ways:

- Helps elected officials and staff assess citizen satisfaction.
- Identifies areas where programs are performing above or below expectations.
- Provides staff with important information on clientele and service usage.
- Utilized by elected officials and staff in strategic planning and resource allocation decisions.

A total of 672 residents filled out the survey and returned it to the city, a response rate of 20.4%. Thank you to those citizens who took the time to express your opinions by responding to the survey.
