

## MAYOR'S CORNER

### Family Tradition Continues

I am proud to recognize a wonderful Family for a long-term commitment to our city and to their customers. Carey's Cycle Center of Riverdale celebrates 50 Years in business this year. Paul and Joyce started back in 1957, most of that time right here in Riverdale at their present location at 4450 S. 700 W. They are the third oldest Yamaha dealership anywhere in the country and one of the best equipped and most helpful anywhere in the world. I personally own two Yamaha's that my wife and I purchased from them. We have always been treated extremely well over the many years of doing business with them.

Caron and her husband Brad have taken over the business from Caron's parents and are taking it to new heights. They have done a facelift inside and out and increased their lines tremendously. Caron grew up in the store and knows more about the motorcycles than most men. Test her some time guys, I know she has always had the answers for us.

I personally and on behalf of Riverdale City, extend our warmest congratulations to all of the Carey's family, staff and friends for 50 great years and a wish for at least 50 more and better years. Go in and look around and say "hi" and congratulations to Caron, Brad and all the great people at Carey's especially during July for their Birthday celebration.

### July 4<sup>th</sup> and 24<sup>th</sup>

I hope all of you enjoyed our 4<sup>th</sup> celebration, and the many traditional things that were planned. I also hope and pray that during this month that we can all reflect on our heritage that brought us to these beautiful valleys and also those in the past and present that have and do fight to preserve our freedom.

One final note: Please be safe and legal with your celebration, from cooking to fireworks please exercise caution and planning so it will be safe and happy for everyone.

**Thanks for what each of you do to make our city great.**

**Bruce Burrows  
Mayor**

## RDA HOUSING PROGRAM CAN HELP IMPROVE YOUR HOME

Does your home suffer from a bad roof, poor plumbing, windy windows, drafty doors, finicky furnace, peeling paint, or other ailments? If so, the Riverdale RDA Housing Program may be able to help get your home back into shape.

The RDA Housing Program provides low-interest and no-interest loans of up to \$20,000 to property owners who meet certain income guidelines. Loan proceeds must be used to make property improvements to owner occupied Riverdale residences.

If you own property on 4400 South, 700 West (south of 4350 S., west side), or 1250 West (5100 S. to 5175 S.) you may qualify for additional loan incentives.

A loan information packet may be obtained at the Civic Center or on the city website at [www.riverdalecity.com](http://www.riverdalecity.com). For questions call 394-5541.

## PROTECT YOUR PROPERTY

Summer time is my favorite time of year and I am sure it is for most of us. It also tends to be the favorite time for thieves as well. Most thieves are opportunist and look for crimes of opportunity. These crimes of opportunity have hit us pretty good the last couple of months. Our patrol and investigative divisions have worked hard to arrest quite a few suspects. When it comes to criminal behavior, when one guy is arrested someone else will slide in and fill in for wherever the opportunity exists. Crimes of opportunity exist sometimes because we become too complacent in our attitudes about anticipating criminal behavior. Vehicle burglaries and residential burglaries are on the rise. In order to slow the tide of these types of crimes we have the following suggestions:

- Always lock your car even if only for a few minutes.
- Park your car in the garage when possible and lock your car while it is in the garage.
- Keep your garage doors closed even when there is no car in it – thieves walk around the neighborhoods and look for things to steal.
- Lock house doors and windows.
- Install motion lights over doors.
- Report suspicious persons and/or behavior (please).
- Become active in the Neighborhood Watch and other COPS programs.
- Have a trusted neighbor check your house and call in for an extra patrol by police when you go on vacation.
- Place bicycles and expensive toys in the garage or back yards.
- Call your Precinct Officer with any suggestions or problems.

By taking these few extra precautions we will slow the growth of criminal behavior in Riverdale and save a few bucks on our insurance premiums.
