

MAYOR'S CORNER

Thanks Again to Our Legislative Team

Larry Hansen and I will be happy to see the end of the Utah Legislative session again this year. We have spent many days with our Legislative team headed by Rep. Brad Dee who especially deserves our thanks and in fact the thanks of the entire Weber County area. He took on many hard issues this year including working to secure the money necessary to finish the last phase of the Riverdale Road widening project. This phase will be from I-84 to the west end of Riverdale Road at 1900 West in Roy. We of course are happy to see this final phase make it through without serious amendments.

The same bill also allows local cities the right to request matching funds for local collector road projects that qualify. This bill will be important to help many cities in Weber County make it easier for us to get around in the future.

This was not the only important issue to us in Riverdale. Rep. Dee also had another bill to assist us in keeping our financial heads above water for the foreseeable future. He had the stamina to keep up the fight this year to help us keep more of the sales tax dollars that we depend on so much. He has met with us on many occasions to see how to best help us and then sponsored the bill to help preserve our economic safety net until the year 2030. His original proposal would have made it permanent, but it was amended to the 2030 deadline.

Rep. Dee deserves all the thanks and appreciation we can give him. He has truly kept the promises he made during the last campaign and more. We certainly thank all who have helped preserve this funding for a very critical need in our city.

Update on Anticipated FEMA Restoration Funds

I have had many questions about the time frame to rebuild the river banks, trail, and kayak park damaged in the flooding of spring 2011. The reports were all given to the federal government several months ago to apply for FEMA funds to restore our river banks, kayak park, and trail to pre-flood condition.

We have, as of this date, not heard when or how much we will receive to accomplish the work of restoration. We are still hopeful the funds will come in time for us to complete the main work this year before the river comes up too far to allow the work to be done properly and safely. We will keep you updated on this important work as new information becomes available.

Thanks to all of you, for what you do to make our city great.

**Bruce Burrows
Mayor**

EASTER EGG HUNT

Plan now to bring your children to the Riverdale City Easter Egg Hunt on Saturday, April 7th at 10:00 a.m. sharp! The event will be held at the Riverdale Park, 4200 South Parker Drive. Kids ages 18 months to 11 years old are invited to come join the fun!

Please make sure your children are at the park and in place before the 10:00 a.m. start time. If you have any questions please call the Riverdale Community Center at 801-621-6084. The hunt is sponsored by the Riverdale Youth City Council.

SPRING CLEANUP

Our spring cleanup has been scheduled for Saturday, April 21st. As with the previous cleanups, dumpsters will be placed at three locations around the city. More details will be published in our April newsletter and at www.riverdalecity.com.

RDA HOUSING PROGRAM

The RDA Residential Loan Program was established to improve the residential areas of the city. The program has expanded over the years to include a variety of loan and purchase assistance programs including:

Housing Rehabilitation Loan Program: This home rehabilitation program provides no-interest or low-interest loans of up to \$30,000 to homeowners who meet certain income guidelines. Loan proceeds must be used to make property improvements to owner occupied Riverdale residences.

Safe Sidewalk Improvement Program: This program provides homeowners up to a \$5,000 loan for the repair, replacement, and improvement of residential sidewalks to mitigate safety hazards.

Purchase Assistance Loan Program: This program will provide purchase assistance for those buying a home located in specific target areas of the city.

Targeted Area Property Improvement Purchase Assistance Program "R-2":

For the improvement and/or purchase of owner occupied properties located in an R-2 Zone that are converted from existing two-family to single-family dwellings.

Details of these programs can be found on the city website, www.riverdalecity.com, or at the Civic Center.

STORM WATER AND POLLUTION

In the past it was thought that the majority of water pollution was caused by industrial discharges. But, today it is estimated that more than one-half of the pollution in our waterways comes from storm water runoff, or more specifically, the pollution that storm water collects on it's journey to the waterway.

Storm water is simply water from rain and snow that is collected from land surfaces, streets, driveways, parking lots, and sidewalks. In Riverdale, our storm water drains directly into the Weber River untreated. Any motor oil, antifreeze, paint, excess lawn fertilizer, pesticides, grass clippings, etc.. picked up by storm water is deposited into the Weber River.

Please do your part to protect our waterways from pollution by keeping our streets, driveways, sidewalks, and gutters clean and free from contaminates.

DONATIONS NEEDED

The Riverdale Senior Center is accepting good, clean, usable items and clothing as donations for their annual yard sale. The funds raised from the yard sale will go to help support the Senior Center programs. Please drop off items at the Senior Center, 4433 S. 900 W., Monday - Friday, 8:00 a.m. to 4:00 p.m. The yard sale will be held on Saturday, May 5th.

VETERANS COMMITTEE

The Riverdale Veterans Committee is looking for a few good men and women to join the committee. If you are interested please contact Dave Leahy at 801-393-7245.

Orders for tiles to be placed on the memorial monuments are continually accepted at the Senior Center. Veterans can have their name added to a common tile for free or purchase an individual tile. The memorial is located in front of the Civic Center, 4600 South Weber River Drive.
