

### MAYOR'S CORNER

#### ASK THE MAYOR

In an effort to better improve communications with residents, a new feature has been added to the Riverdale City website, [www.riverdalecity.com](http://www.riverdalecity.com), which allows residents to ask questions directly to the Mayor. This 'Ask the Mayor' feature has already fielded questions with answers from the Mayor that might be of interest to you as residents. If you don't use the internet, please feel free to call me with any questions, concerns, or ideas you may have. My cell phone number is 801-392-2122. You can also email me at [nsearle@riverdalecity.com](mailto:nsearle@riverdalecity.com). Also, you can find me on my 'Norm Searle' Facebook page. I post things on my Facebook page and on the Riverdale City Citizens Facebook page, as they happen or about to happen, in an effort to let people know what is going on in our community. Feel free to join me as a 'Facebook Friend'! I believe it is very important to keep you informed.

#### NEW SOUTHWEST LIBRARY BRANCH OPENS

The new Southwest Branch of the Weber County Library opened for business on Monday, February 29<sup>th</sup>. This beautiful new facility is located at 2039 West 4000 South in Roy. The new building is much larger than the old building and has dozens of meeting rooms and will also serve as the headquarters for the Weber County Library System.

#### NEW BUS SHELTERS ALONG RIVERDALE ROAD

There are new UTA bus shelters along Riverdale Road and you will see more in the future as details are worked out with property owners and the Utah Transit Authority. Efforts to obtain these much needed shelters have gone on for several years and has been a struggle from the beginning. Riverdale City provides between 2-3 million dollars of sales tax revenue to UTA annually. We appreciate UTA's recent efforts to provide these shelters to those who use the transit system and keep the riders out of the weather.

#### 4400 SOUTH BICYCLE AND PEDESTRIAN WALKWAY

Just a quick update on the new 11' concrete multiuse path that will be constructed this spring and summer. It will extend from the Parker Drive roundabout on 4400 South, under I-84 and up to and over I-15 to Roy and points west. The City Council, in our February 16<sup>th</sup> meeting, approved the bid for the bike/pedestrian bridge that will go over I-15. This bridge will be built in Ohio and will take about four months to construct. It will then be transported here in six sections and then assembled and placed over the freeway. The projected start date for the project is May 16<sup>th</sup>. The project is expected to be completed during the month of August of this year. Funds for the entire project are coming from the Weber County Transportation fund.

Hope you are enjoying the improving weather! Warm is good!

Norm Searle, Mayor

### AVOIDING LIQUID AND STEAM BURNS

#### From the Riverdale Fire Department

Each year, over 450,000 burn injuries occur in the United States, which is serious enough to require medical attention. Here are some tips that can keep you safe:

- Set your water heater at 120 degrees or just below the medium setting.
- Run your hand through bath water to test for hot spots, especially prior to putting a child in the tub.
- Use the back burners and turn pot handles toward the back of the stove so children cannot pull them down.
- Use oven mitts when cooking or handling hot food and drinks.
- Stir and test food cooked in the microwave before serving.
- Keep children away from the stove when cooking by using a safety gate for younger children and develop a "no-kid zone" for older children.
- Keep hot drinks away from the edge of tables and counters.
- Avoid using tablecloths for hot pads.
- Never hold or carry a child when you are cooking over a stove, or carrying a hot drink.
