Local Support Appreciated

Riverdale Road construction is in the final month, for the most part. Some final work will be completed after the Thanksgiving Holiday and the Christmas Shopping season begins, but all travel lanes and cross access roads will be done.

As I reported last month some of the businesses have been suffering, and I asked you to consider shopping locally even more now than in the past. You have been very supportive and many of the merchants have told me how much they appreciate it, and hope it will continue. They have lost sales they have to make up which is difficult because everyone is in a conservative mode.

Now that more lanes are about to open for travel it will be even easier to get to them, so let's keep the upward trend going. I also know that gas prices have started to come down, which might mean that we forget what caused it to come down in the first place was conservation and shopping closer to home. We appreciate your support of our local businesses.

Very Deserving of recognition

Recently I had the opportunity to do the employee review for our City Administrator Larry Hansen. Larry deserves much of the credit for the efficiency in our city during these difficult economic times and being able to hold the line on spending and conserving resources, including manpower, to keep the budget on track. He also works well with those running the Seniors Program and Center to make sure it continues to be a place of pride and joy and make it be virtually self-sufficient from the day it opened.

Larry also manages the RDA Housing Rehabilitation Loan Program, which has been a great blessing to many in our city. It allows them to repair, improve and rehabilitate homes that are falling into disrepair. It helps keep our neighborhoods better kept and beautiful, and more efficient and economical for the owners. Many have taken advantage of the program which is kept very confidential, so homes can be more comfortable and better maintained.

Larry does many things that go un-noticed by most of the citizens and some of the employees, but I see them all the time. I try to thank him most of the time but I feel it is important for each of you to know what a benefit we have in this city because he does such a great job.

Thank you so much Larry Hansen, for your sense of community and tireless efforts in our behalf and your skill in choosing the best practices for our city.

Thanks to all of you, for what you do to make our City Great.

CITIZENS HELP DESK ADDED TO CITY WEBSITE

Recently the city has adopted a "Making Life Better" campaign. The goal is to work to improve service to our citizens. One area of focus is making the city

website more functional for citizens. With this in mind a new area on the city website had been created titled the 'Citizens Help Desk.'

This new website function features two parts: The Citizens Request Page and the Frequently Asked Questions Page.

The Citizens Request Page has been created as a resource for citizens to quickly and easily report a problem, request a service, ask a question or file a compliment or complaint.

The Citizens Request Page is broken down into city department headings with a list of forms which citizens can click on, fill out, and submit online to the department. A citizen can request to be contacted about the problem or submit information anonymously.

The Frequently Asked Questions page was created to help citizens find quick answers about common subjects. The page is in a question and answer format. Under each department heading you will find a list of questions that when clicked on will link to the answer.

In the coming months additional service request forms will be added. Both sections will continue to evolve to make the new service as functional for citizens as possible.

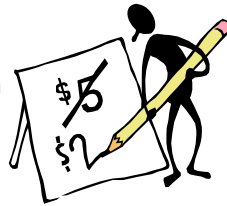

It is hoped that citizens will find the new Citizens Help Desk helpful. The city website address is www.riverdalecity.com.

CITY TO HOLD SURPLUS SALE

The city will be holding a surplus property sale from November 17th - 21st.

A variety of items will be sold through a Dutch Auction Sale. With this type of sale, a starting price is set and will decrease each day an item remains unsold. Items include: computers, bicycles, office equipment, sports equipment, and miscellaneous items. The sale will be held at the Riverdale Community Center, 4360 S. Parker Drive.

The city reserves the right to withdraw any item from the sale. A full list of items and additional information can be viewed on the city website at www.riverdalecity.com.

USE CAUTION WHEN SHOPPING

As the holiday shopping season quickly approaches the Riverdale Police Department would like to remind residents that it is also the time of year that criminals prepare to do their "shopping" as well. To help you minimize your chance of becoming a victim of a criminals "shopping" spree we give these following suggestions:

- As you shop, don't forget to lock your packages in the trunk or at least cover them from the view outside of your car.
- Do not leave your purse or wallet lying in a shopping cart.
- Always keep an eye on your credit card until it is back in your hand.
- Never approach an outside ATM that has people nearby.

The Police Department wishes everyone a safe and happy holiday shopping season.

NO CHANGE IN TRASH PICKUP

There will be no change in our garbage pickup schedule for the Veteran's Day and Thanksgiving Day holidays. Please put out your garbage cans for Wednesday pick up as you normally would.
