

### MAYOR'S CORNER

#### Riverdale History Online

We have had a few people give us some wonderful stories, pictures and artifacts that tell the history of Riverdale, but up to now we didn't have a great way to display them. Our City Administrator, Larry Hansen, has asked our webmaster, Chris Stone, to see about a virtual history addition to our website. Riverdale resident Gary Boatwright Jr. has also stepped forward offering his knowledge and background as a historian and hopefully, as the saying goes, the rest will be history.

A preview was presented at the last City Council meeting and everyone got very excited about the possibilities. The beginnings of the new virtual history page is being prepared. You can visit the city website to find out how you can submit historical information and items to be included. We will continue to update the site all the time and add interviews and pictures as they become available.

#### The Few Make it Hard on the Many

Speaking of the last City Council meeting, we had the less pleasant issue of reviewing a portion of our animal control ordinance concerning free roaming dogs. Several residents came and a petition was submitted requesting an ordinance change to allow free roaming dogs in someone's private unfenced yard. We certainly understand that it seems to be against pet owner's rights to have them on leashes on private property. The problems come not for the many that keep their animals properly under control, but from those who can't or won't.

A much bigger problem is those who take their dogs to the parks or on the walking trails without leashes. Some have even carried the leashes along and ignored the signs that pronounce that dogs must be on a leash. It is those people that make the law necessary.

#### A Second Request

Riverdale citizens have responded, as they usually do, by volunteering when asked to do so. I am referring to the Riverdale Arts Committee request I made a couple of months ago. We have had some great volunteers let me know they want to be involved, but we need more so that we will have a well rounded group. This won't be a heavy time commitment for those on the committee. We want to get an idea of the types of activities that people would like and you can help. If you have any interest in the arts - music, plays, movies in the park or any other form, we want you to let us know so we can include your ideas. Please contact anyone at the city and let us know if you will be able to help.

**Thanks for all you do to make our city great!**

**"Did you know?"**

Riverdale City is beginning work on a "virtual museum". Initially, this will be an internet based on-line tour of Riverdale City artifacts and memorabilia dating back to our settlement in 1850. If you have historical items, photos, etc. that you would be willing to let us digitally photograph, please contact Chris Stone at 801-436-1237.

But you didn't know that Riverdale City boundaries already include two museums, the quite well-known HAFB Aerospace Museum, 7961 Wardleigh Rd., and the Roy Historical Museum, 5540 S. 1700 W., which are both on the east side of I-15 and within Riverdale City limits.

**USE CAUTION WHEN SHOPPING**

As the holiday shopping season approaches, the Riverdale Police Department would like to remind residents that it is also the time of year that criminals prepare to do their "shopping" as well. To help you minimize your chance of becoming a victim of a criminals "shopping" spree, we give these following suggestions:

- As you shop, don't forget to lock your packages in the trunk or at least cover them from the view outside of your car.
- Do not leave your purse or wallet lying in a shopping cart.
- Always keep an eye on your credit card until it is back in your hand.
- Never approach an outside ATM that has people nearby.

The Police Department wishes everyone a safe and happy holiday shopping season.

**RIVERDALE'S CERT PROGRAM COORDINATOR**

Another Community Emergency Response Team (CERT) class has just finished. Riverdale City now has over 60 residents trained in the CERT program. Behind much of this accomplishment is our volunteer CERT Coordinator Tamara Chase.

As CERT coordinator for Riverdale, Tamara works with the Fire Department to organize and train Riverdale CERT members.
