OBJECTIVES

• Effective use of a “First Responder” Engines Concept
• Staffed Engine Companies at both Riverdale and South Ogden
• Closest unit response
• Combined EMS and Fire Training
• Command Staff Consistency
• Effective use of Staffing
• Cost Savings
Effective Use of a “First Responder” Concept

• **Accomplishments**
  - Improved response to Riverdale East Bench with A81 and Washington Terrace First Responders.
  - Patients have an EMS unit on scene in under 5 minutes anywhere in the two cities, utilizing the Engines as First Responders
  - Engines available for additional incidents from medical scenes
Ambulance 81’s Primary Response Area
Staffed Engine Companies Riverdale and South Ogden

- Riverdale increased to a minimum of three with four during the first 12-hours.
  - *(NFPA 1710 5.2.3.1.1 minimum staffing of four)*

- South Ogden Ladder 81 is minimum staffed at three, with the ability to utilize the ambulance crew to form a 5-person Truck Company
  - *(NFPA 1710 5.2.3.2.1 minimum staffing of four)*

- Depth of fire coverage improved to both cities.
Response Improvements

Primary Response Units

- Riverdale Engine 41
  - Allows for <5-minute response times and additional manpower to Riverdale
- South Ogden Ladder 81
  - Allows for <5-minute response times and additional manpower to South Ogden
- Ambulance 81
  - Allows Riverdale to have an ambulance on scene to the East Bench and North end of Riverdale more readily
  - Allows South Ogden to maintain Engine coverage during an EMS response

Reserve Response Units Automatically Put In Service Through Dispatch (Spillman Program)

- Ambulance 41
- Ambulance 83
Combined Training

• Battalion Chief Clint Miner
  • Clint Replaced the Deputy Chief in South Ogden
  • Coordinates Training with South Ogden and Riverdale
  • Attends EMS Meetings
    • EMS Committee Meeting
    • Hospital EMS Liaison
    • State EMS Committee
    • County Chiefs
Command Staff Consistency

• Chief Officers are Dispatched to Both Cities

• Backfill Each Other When Out of Town

• Communicate on Changes Within Both Cities
Effective Use of Staffing

- 12-Hour Shift With Flexibility
- Relocating Units
- Sharing Staff
Cost Savings/Recovery

Potential Captured Revenue by Reserve Ambulances 9/1/19 - 2/29/20

Riverdale A41
31 Calls
- 27 Riverdale
- 4 South Ogden

South Ogden A83
59 Calls
- 21 Riverdale
- 38 South Ogden

Total Captured 90

# of Total Calls - %50 (Average Trans Rate) X's $518.00 (Average Revenue)
Summary of Accomplishments

- Improved Response Times
- Engine Company Staffing
- Captured EMS Calls Utilizing A41 and A83
- Response Capabilities with Multiple Incidents
- Command Staff with Chief Officers
- Flexibility with Moving Personnel
Future Objectives

• Combining Medical Control Physicians

• Medical Supply Purchasing

• Paramedic Service

• Single Billing Company

• Improved Documentation

• Function More and More Like a Single Department
Objective:
The Interlocal Agreement between Riverdale and South Ogden started in mid-August, but for accuracy reasons, August was not added to this report. This report identifies response numbers and improvements seen due to the interlocal agreement between the two cities. These improvements are improvements from the previous response model.
Initial objectives proposed to the City Managers, Mayors and City Councils for trial of the interlocal between South Ogden and Riverdale Fire Departments:

“A Strong Interlocal/Joint Power Agreement between Riverdale and South Ogden would allow for the following improvements”

- Fire Department Administration to work together to be more effective to the cities
- Working towards a single ambulance billing agency
  - Planning to do this once the agreement is signed
- Current Chief Officers of each city would remain a point of contact for that city
- All current city functions involving the fire department would remain as is
- The cities would retain all current and ongoing assists

Response Improvements

- Effective use of the “First Responder” (fire engines) concept within the system
- Staffed engine companies at both Riverdale and South Ogden Fire
- Effective use of reserve ambulances for additional EMS calls
- GPS of closest EMS and Fire units to incident
  - This is done through dispatch by closest station
- Combined Fire and EMS Training
  - South Ogden Battalion Chief is working with both departments on this
- Command staff consistency
- Effective use of staffing

Call for Service:

Call volume average for EMS calls in Riverdale, South Ogden and outside agency requests covered by A81, A83 and A41 for 172 days. This is the defined response area of Riverdale, South Ogden and Mutual Aid.

Total of 929 EMS Calls:

- Riverdale and South Ogden response area
  (A81, A41, A83)
  - 5.40 calls per day for all ambulances
Ambulance 81 average call volume per day for 172 days:

- Riverdale 386 Calls
  - 2.24 per day
- South Ogden 370 Calls
  - 2.15 per day
- Outside Agency 83 Calls
  - 0.46 per day
- 839 Total Calls
  - 4.88 per day

Ambulance 83 average call volume per day for 172 days:

- Riverdale 21 Calls
  - 0.12 per day
- South Ogden 38 Calls
  - 0.22 per day
- Total Calls 59 Calls
  - 0.34 per day

Ambulance 41 average call volume per day for 172 days

- Riverdale 27 Calls
  - 0.15 per day
- South Ogden 4 calls
  - 0.02 per day
- Total Calls 31 calls
  - 0.18 per day

Response averages for Fire/Rescue coverage to outside agencies 172 days:

- Riverdale 105 calls
  - 0.61 per day
- South Ogden
  - 0.37 per day
Improvements Operationally:

- A83 and A41 captured 90 calls that would have been covered by outside agencies previously. At a 52% transport rate with an average $518.00 collection per transport = $24,242.40 additional revenue potentially.

- Station 81 can respond both a first responder engine and ambulance into South Ogden 81 response area. This is a change from the previous response model.

- Station 81 can respond 5 personnel on the ladder truck if the ambulance is in service, with a minimum of a three-person response.

- Ambulance 81 can cover Station 82 without dropping staffing at Station 81.

- Riverdale can respond as a true first responder to support A81 more often than previously, with a minimum of three personnel. This is a change from the previous response model.

- E41 and L81 can release off medicals once other EMS units have arrived. This allows E41 and L81 to handle addition calls. This creates more depth within the two departments.

- Flexibility to handle incidents without depleting all resources, with the ability to move resources to other stations to cover extended incidents.

- Riverdale response times improved to the northern end of Riverdale and the East bench.

- Riverdale is available more often to respond as a true first responder, so to support Ambulance 81 and Ambulance 83 in Riverdale. We are now meeting the less than 4-minute NFPA response time by utilizing these units, as well as the Washington Terrace first responders to the East bench.

- **MAINTAINING THREE PERSONNEL ON ENGINE 41 AND LADDER 81 MORE OFTEN THAN NOT. VERY IMPORTANT IMPROVEMENT TO BOTH CITIES.**
AGENDA ITEM: F1

SUBJECT: Consideration to approve meeting minutes.

INFORMATION:

a. March 3, 2020 City Council Work Session

b. March 3, 2020 City Council Regular Session

BACK TO AGENDA
Minutes of the Work Session of the Riverdale City Council held Tuesday, March 4, 2020, at 5:30 p.m., at the Civic Center in the Administrative Offices, 4600 S Weber River Dr., Riverdale City, Weber County, Utah.

Present:  
City Council:  
Norm Searle, Mayor  
Braden Mitchell, Councilmember  
Brent Ellis, Councilmember  
Alan Arnold, Councilmember  
Bart Stevens, Councilmember  
Steve Hilton, Councilmember  

City Employees:  
Rodger Worthen, City Administrator  
Steve Brooks, City Attorney  
Shalee Evans, City Recorder  
Shawn Douglas, Public Works  
Mike Eggett, Community Development  

The City Council Work Session meeting began at 5:30 p.m. Mayor Searle welcomed all in attendance and stated for the record that all Councilmembers are present.

Public Comment:  
Mayor Searle asked if anyone knows of any public comment. There was no known public for tonight’s meeting.

Presentations and Reports:  
Mayor Searle noted that the third lunch with the Mayor is this Thursday at 12:00 p.m. at the Riverdale City Fire Station.

Consent Items:  
Mayor Searle invited any corrections or comments for the first consent item. Consideration to approve meeting minutes from February 18, 2020, for the work session and regular meeting, and February 15, 2020 Strategic Planning Meeting, and lastly, October 29, 2019 Joint Strategic Planning Meeting. There were no requested changes.

Mayor Searle invited discussion on the second consent item, Consideration to ratify the Planning commission Election results for the Chair and Vice Chair. (Proposed: Amy Ann Spiers, Chair; Robert Wingfield, Vice-Chair)

Mike Eggett noted that every two years, the Planning Commission must have elections for Chair and Vice-Chair.

Action Items:  
Mayor Searle invited discussion regarding the action item. Consideration of Resolution 2020-06, awarding a bid for the 2020 Ritter Drive Phase 2 Project to the low bidder Post Construction in the amount of $732,715.50, with the total budget not to exceed $805,987.05.  

Shawn Douglas went over the executive summary which explained, On February 26th we conducted a bid opening for our 2020 Ritter Drive Phase 2 project. There are numerous projects in the bid including the street project and storm drain piping. Post Construction was the low bidder in the amount of $732,715.50. Funding for these projects will be storm water fund, class c road funds, and local option funds. I would also ask for a contingency of 10% to cover any items that may come up during construction. The contingency would help keep the construction time lower and minimize traffic delays should any small changes arise. I would ask the council to approve the project at a not to exceed amount of $805,987.05. I would recommend approval.

Councilmember Arnold asked about the top part of Ritter Drive and asked if there is a possibility of a light going in. Shawn stated that if a light were to be installed that it would be the first city owned streetlight. He noted that we would need to have a study done and see if the light would be necessary, or if traffic will self-regulate. Councilmember Arnold also asked if there was a motion needed in order to open Ritter Drive up officially, since it was closed by the council due to safety concerns. Steve Brooks, City Attorney, stated that it would be a good idea to have it on a future agenda and have a motion to open Ritter Drive. Rodger Worthen read from a summary of the Ritter Drive history. He confirmed that there was no Resolution to close Ritter Drive, so all the council will need is a motion on a later meeting.

Discretionary Items:  
There were no discretionary items.

RDA WORK SESSION

Presentations & Reports  
RDA Real Estate Updates – Rodger Worthen, RDA Executive Director will go over the updates during the regular meeting.
Consent Items
Chairman Searle invited discussion on the consent item, consideration to approve meeting minutes from January 7, 2020 RDA Meeting. There were no requested changes.

Closed Executive Session
Mr. Worthen noted it is regarding real estate items.

Discretionary Items
Mr. Ellis asked if he could be excused from the RDA regular meeting because of a family function.

Mr. Mitchell noted that on Saturday Riverdale Road was backed up all day, and asked if there was any further discussion regarding a right turn green arrow on 300 W. He also asked about a bump up by the ridge. Shawn Douglas noted that he must make a phone call regarding the asphalt and noted that residents and councilmembers can call also.

Mr. Worthen asked if there was consensus to put the Ritter Drive discussion on the agenda for a future meeting. There was a consensus

Mr. Arnold wanted to apologize to Mr. Stevens and noted that he would appreciate if all councilmembers come to the meetings prepared, having read the packet and if anyone has something to say, please speak up and let others know. Chairman Searle asked that all get the permission from the chair before saying anything to make sure it remains professional.

Adjournment:
Having no further business to discuss the City Council adjourned at 5:58 p.m. to convene into their Regular City Council Meeting.

A. Welcome & Roll Call  
The City Council meeting began at 6:00 p.m. Mayor Searle called the meeting to order and welcomed all in attendance, including all Council Members and all members of the public.

B. Pledge of Allegiance  
Mayor Searle invited Councilmember Arnold to lead the Pledge of Allegiance.

C. Moment of Silence  
Mayor Searle called for a moment of silence and asked everyone to remember our police officers, fire fighters, U.S. Military service members, and members of the City Council as they make decisions this evening.

D. Public Comment  
Mayor Searle invited any member of the public with questions or concerns to address the Council and asked that they keep their comments to approximately three minutes. No action will be taken during public comment. There were no public comments made.

E. Presentations and Reports  
1. Mayors Report  
Mayor Searle noted that the third lunch with the Mayor is this Thursday at 12:00p.m. at the Riverdale City Fire Department and all Councilmembers are welcome. Mayor Searle also went over the Council Committee Assignments.

F. Consent Items  
1. Consideration to approve the City Council meeting minutes from: February 18, 2020 City Council Work Session and Regular Session, February 15, 2020 Strategic Planning Meeting, and October 29, 2019 Joint Strategic Planning Meeting.  
Mayor Searle invited any corrections or comments regarding the above referenced meeting minutes. There were no corrections or comments.  
MOTION: Councilmember Mitchell moved to approve the meeting minutes. Councilmember Ellis seconded the motion. There was not any discussion regarding this motion. The motion passed unanimously in favor.

2. Consideration to ratify the Planning Commission Election results for the Chair and Vice Chair. (Proposed: Amy Ann Spiers, Chair; Robert Wingfield, Vice Chair)  
Mike Eggett, Community Development, stated that every two years, Planning Commission is required to have an election for Chair and Vice Chair.
Mayor Searle invited discussion regarding the second action item. Councilmember Stevens asked if the members that were elected seemed happy to be in that position or if it was just taking the position by default. Mike Eggett noted that they both are very active on the Planning Commission and seem to be happy with their positions.

**MOTION:** Councilmember Hilton moved to ratify the Planning Commission Election results for the Chair and Vice Chair. Councilmember Ellis seconded the motion. All were in favor. There was no discussion regarding this motion.

**G. Action Items**

1. **Consideration of Resolution 2020-06, awarding a bid for the 2020 Ritter Drive Phase 2 Project to the low bidder Post Construction in the amount of $732,715.50, with the total budget not to exceed $805,987.05.**

Shawn Douglas went over the executive summary which explained, On February 26th we conducted a bid opening for our 2020 Ritter Drive Phase 2 project. There are numerous projects in the bid including the street project and storm drain piping. Post Construction was the low bidder in the amount of $732,715.50. Funding for these projects will be storm water fund, class c road funds, and local option funds. I would also ask for a contingency of 10% to cover any items that may come up during construction. The contingency would help keep the construction time lower and minimize traffic delays should any small changes arise. I would ask the council to approve the project at a not to exceed amount of $805,987.05. I would recommend approval.

Councilmember Ellis asked about the home demolition and what the progress was. Mr. Douglas stated that the resident is still in the home. Councilmember Arnold asked why the higher budget number was necessary. Mr. Douglas noted that the not to exceed amount is just ten percent of the total estimated.

**MOTION:** Councilmember Ellis moved to approve Resolution 2020-06, awarding a bid for the 2020 Ritter Drive Phase 2 Project to the low bidder Post Construction in the amount of $732,715.50, with the total budget not to exceed $805,987.05. Councilmember Mitchell seconded the motion.

Mayor Searle invited discussion regarding the motion. There was not a discussion.

**ROLL CALL VOTE:** All voted in favor.

**H. Discretionary Items**

Councilmember Stevens asked Chief Brenkman about the number of applicants the police department received for the open position. Chief Brenkman noted that the quantity is not as high as it used to be. But they received good candidates.

Mayor Searle congratulated Councilmember Stevens for retiring after 37 years with the military.

Steve Brooks, City Attorney, noted that the case the city had in front of the state records board came out in the city’s favor.

**I. Adjournment.**

**MOTION:** Having no further business to discuss, Councilmember Mitchell made a motion to adjourn. The motion was seconded by Councilmember Ellis; all voted in favor. The meeting was adjourned at 6:26p.m.

What is the average depth of the collection system (in feet)?

7

What is the total length of sewer pipe in the system (length in miles)?

34

How many lift/pump stations are in the collection system?

0

What is the largest capacity lift/pump station in the collection system (design capacity in gallons per minute)?

N/A

Do seasonal daily peak flows exceed the average peak daily flow by 100 percent or more?

☐ Yes
☐ No

What year was your collection system first constructed (approximately)?

1958

In what year was the largest diameter sewer pipe in the collection system constructed, replaced or renewed? (If more than one, cite the oldest)

PART II: DISCHARGES

How many days last year was there a sewage bypass, overflow or basement flooding in the system due to rain or snowmelt?

0

How many days last year was there a sewage bypass, overflow or basement flooding due to equipment failure (except plugged laterals)?

0

The Utah Sewer Management Program defines two classes of sanitary sewer overflows (SSOs):

**Class 1** - a Significant SSO means a SSO or backup that is not caused by a private lateral obstruction or problem that:

(a) affects more than five private structures;
(b) affects one or more public, commercial or industrial structure(s);
(c) may result in a public health risk to the general public;
(d) has a spill volume that exceeds 5,000 gallons, excluding those in single private structures; or
(e) discharges to Waters of the state.

**Class 2** - a Non-Significant SSO means a SSO or backup that is not caused by a private lateral obstruction or problem that does not meet the Class 1 SSO criteria.

Below include the number of SSOs that occurred in year: 2019
Please indicate what caused the SSO(s) in the previous question.

N/A

Please specify whether the SSOs were caused by contract or tributary community, etc.

**City Council Executive Summary**

For the Council meeting on April 7, 2020

### Summary of Proposed Action

As part of the process of the selection of the new Justice Court Judge, the starting salary was different than what our code states and from what the previous Judge made. This proposed amendment just cleans this all up.

### Requested By

**Petitioner(s):**
Steve Brooks – City Attorney

### Summary of Supporting Facts & Options

When we selected the new Justice Court judge, his starting salary was different from what the previous judge made. Each year when we do budgets, we report and codify the salaries of the Mayor, Council and Judge. Where these two salary number differ now, we need to make this amendment to clean it up and get it in to our code correctly.

AN ORDINANCE ADOPTING CURRENT EDITIONS OF THE BUILDING CODES, PROVIDING A REPEALER, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the City Council of Riverdale City has previously adopted earlier editions of the various Building, Electrical, Plumbing, Mechanical, Fire and other miscellaneous Codes; and

WHEREAS, from time to time it becomes necessary to amend the various codes in order to stay current with updates, national standards, common practices and safety issues; and

WHEREAS, in the judgment of the City Council of the City of Riverdale, adopting the current editions of the various Codes would contribute to safety, assist in preserving the health, promoting the prosperity and improving the peace, order, comfort and convenience of the inhabitants of and visitors to the City of Riverdale and in protecting and preserving their property and well-being;

NOW, THEREFORE, BE IT HEREBY ORDAINED AND ENACTED BY THE CITY COUNCIL OF THE CITY OF RIVERDALE:

Section 1. Title 9, Chapter 1, Section 1 of the Riverdale Municipal Ordinance Code is hereby amended by adopting current versions of the various codes.

The amended Section 9-1-1 shall read as follows:

9-1-1. BUILDING CODES ADOPTED:
Those certain documents, two (2) copies of which are on file in the office of the community development administrator, being marked and designated as the International Building Code, 2018 edition (including Appendix J); International Residential Code, 2015 edition (including Appendix E); Appendix Q of the 2018 edition of the International Residential Code; International Energy Conservation Code, 2015 edition; and International Fuel Gas Code, 2018 edition; International Existing Building Code, 2018 edition (including all Appendixes); NFPA 225 Model Manufactured Home Installation Standard, 2005 edition, Uniform Code for the Abatement of Dangerous Buildings, 1997 edition; the International Mechanical Code, 2018 edition; the commercial provisions of the 2018 edition of the International Energy Conservation Code; the HUD code; International Fire Code, 2018 edition; are hereby adopted as the building codes of the city for regulating the erection, construction, enlargement, alteration, repair, moving, removal, demolition, conversion, occupancy, equipment, use, height, area and maintenance of all buildings and structures in the city; providing for issuance of permits and collection of fees therefore; providing penalties for violation of such codes, declaring and establishing fire zones, and each and all of the regulations, provisions, penalties, conditions and terms of said codes published by the International Conference of Building Officials, on file in the office of the community development administrator, are hereby referred to, adopted, and made a part of this chapter as if fully set out in this chapter; provided, however, that the penalty for any violation of the above cited codes is a class B misdemeanor, punishable as is provided in section 1-4-1 of this code. (Ord. 903, 9-4-2018, Amd. Ord. 915, 4-2020)
Section 2. Title 9, Chapter 3, Section 1 of the Riverdale Municipal Ordinance Code is hereby amended by adopting the 2018 edition of the National Plumbing Code. The amended Section 9-3-1 shall read as follows:

9-3-1: PLUMBING CODE ADOPTED:
The international plumbing code, 2018 edition, including the appendices thereto, establishing rules and regulations for the conduct of the business or trade of plumbing and the installation, alteration, or repair of plumbing and drainage systems and other matters relating thereto, which has been printed as a code in book form, and two (2) copies of which have been filed for use and examination by the public in the office of the community development director and the whole thereof, is hereby referred to, adopted, and made a part of this chapter as if fully set out herein. (Ord. 880, 7-28-2016 4-2020)

Section 3. Repealer. Any provision of the Riverdale Municipal Ordinance Code found to be in conflict with this ordinance is hereby repealed.

Section 4. Severability. If any provision of this ordinance is declared invalid by a court of competent jurisdiction, the remainder shall not be affected thereby.

Section 5. All other terms and conditions as previously adopted remain in full force and effect unless specifically amended hereby.

Section 6. This ordinance shall take effect immediately as allowed by law.

### Summary of Proposed Action

Suspension of water turn-off actions.

### Requested By

| Petitioner(s): | Steve Brooks - City Attorney |

### Summary of Supporting Facts & Options

Due to the situation that we find ourselves in with the Corona virus and the impact that it is having on some of our citizens, staff had met and discussed options concerning water shut-offs and what we should do about them. Mayor Searle also asked us to review the issue and report back to him which we did and he agreed with what we came up with. The proposal was to at least temporarily hold off from doing any shutoffs that were due and set to be performed but also make it clear that it was not a forgiveness of the debt.

We also indicated in our letter (copy included herewith) that all this would be reviewed by the CC.

Your utility account with Riverdale City is delinquent and was scheduled to be shut off this week, however, due to the COVID-19 outbreak the City is allowing delinquent accounts to have a 90-day extension of time to pay your bill prior to shutoff. This extension is being provided at the approval of the Mayor and will be reviewed by the City Council at an upcoming meeting(s). We know that we have residents that are experiencing hardship due to restrictions that have been made on their jobs by the COVID-19 outbreak. We at Riverdale City would like to lighten the load during this difficult time.

Please keep in mind that this letter is providing an extension of time to pay only. All delinquent balances and any accrued fees will still need to be paid in the future to maintain utility service. The City has had a policy for some time, which, enables residents who have difficulty paying their utility bills to call the City and arrange for a payment plan. Making an arrangement will prevent service fees from being added to your account. This policy is still available.

We would appreciate if you would contact the City at 801-394-5541 extension #1201 to discuss your utility account.

Sincerely,

Riverdale City Utility Department
