Welcome to Riverdale

On behalf of the City Council and the City Staff, I extend to you a warm welcome! We hope your life here in our city will be a very pleasant and satisfying one and we want to help you feel that you are a part of this wonderful community.

Riverdale has approximately 8,500 residents; our citizens take pride in their city and pull together for the good of their neighborhoods. Riverdale's residential areas are uniquely situated just a few minutes from the busy shopping district along Riverdale Road, which is home to over 300 business owners. It is all of us, collectively, that make up this great community.

My vision as Mayor is to make Riverdale the city of choice to live, work, shop and play today and for the future. Riverdale's staff is committed to providing the highest possible level of municipal services to the Riverdale community and to be fiscally responsible. We want to do everything we can to make living here the best possible experience for you.

Riverdale has a proud heritage and an exciting future with many recreational choices including one of the most scenic river trails in the state where residents and visitors can enjoy pristine wooded areas and dozens of beautiful vistas. Our parks, trails, Community Center and Senior Center have exercise facilities and activities for children and adults to walk, run, bike, wade, tube, fish and observe wildlife in its natural habitat.

We want you to be involved and active in our community and encourage you to attend our Council and Planning Commission meetings at the Civic Center on Tuesday nights. You can also stay informed about city events and activities by visiting our city website and Facebook page and reading the monthly newsletter included with your city utility bill. Your elected representatives have their phone numbers listed on the newsletter and website so that you can contact them if you have ideas or concerns. Please let us know how we can make your life more enjoyable as we welcome you to Riverdale City!

Braden Mitchell
Riverdale City Mayor
