### Fires along Weber County Pathways

In a combined effort to inform the public of current fire concerns, the following agencies have teamed up to provide increased safety and security to parts of Weber County. Ogden City Police, Ogden City Fire, Riverdale Police Department, Riverdale Fire Department, Weber County Sheriff's Office, and the Weber Fire District would like to release the following information:

With record-setting, high temperatures, and our current drought conditions, the above agencies are concerned about individuals not exercising fire safety or purposely setting fires on the Weber County Trailways extending from Ogden, through Riverdale, out west into West Haven and Marriot-Slaterville. We are asking for the public's help to keep our communities safe. Please be on the lookout for suspicious behavior, especially those that would start fires along the pathways. If you encounter someone in the act of setting a fire or come across a fire, please call 911. If you have information about someone involved with setting fires, please contact our TIP HOTLINE at 801-778-6631.
