Each batter MUST bat from the tee. **Throwing the bat is an automatic out (batter cannot run for that bat).** Teach the kids not to throw the bat! *The last batter will keep running until he/she is tagged out or reaches home plate.* Coaches should yell "last batter" to remind players what to do. Teach the last batter to keep running (rounding the bases) and the outfield to field the ball and tag the runner out.

Runners: Runners must wear a helmet. When a player stops running, he/she must remain on that base. Teach your players to round the bases to advance more than one base. No leading off, No stealing. The runner must stay on the base until the ball is hit. **When a defensive player has made one throwing error, the base runner will advance to the base that he/she is running toward, and then must stop.**

Defensive Players: 7 players may be in the field at a time. Please rotate positions played. Infield positions: 1st, 2nd, 3rd base, pitcher, and short stop (no catcher). Infielders cannot play up more than 5 ft in front of their base. Outfield positions: Left, Right, or Center. Outfielders must be at least 10ft behind the infield bases. If teams are short a player, they may distribute their players for the best field coverage. All players in the field must have a glove/mitt.
