Mann, Wendell R.	U S Army	1972 -	Colonel	South East Asia: Vietnam, Middle East: Desert Storm, Iraqi Freedom, Enduring Freedom		<p>After graduating from Bonneville High School in 1972, I was drafted into the Army that October (1972) thus beginning my military career that concludes in 2011. My home address was 5487 South 1150 West, "Kid Lane." I am the son of Gladys Mann.</p> <p>I served in Vietnam as a Combat Medic. Was discharged from active duty in 1976, after completing my service obligation and immediately enlisted into the Army Reserve at the rank of Sergeant (E5), eventually attaining the rank of Staff Sergeant (E6).</p> <p>In 1981, I graduated from the Military Academy with a commission as a Medical Service Officer. In 1989 I was mobilized with hospital equipment and emergency care personnel to establish and sustain medical care/operations for the people of the Virgin Islands. Hurricane Hugo completely devastated the Islands. Mobilization was 10 months.</p> <p>In 1990, I was mobilized to the middle east, Saudi Arabia, in support of Desert Storm. Not knowing if we would arrive back home in a box or on a plane... it was a plane 11 months later.</p> <p>I have been mobilized on several occasions in support of middle east operations that also include Iraqi Freedom and Noble Eagle. Of my many mobilizations, the one I would want to be remembered for would be Desert Storm.</p>

						<p>My family and the community were the real heroes of that war.</p> <p>Should I be fortunate enough to have my name associated with others from different branches of the service - as well as alongside my brother, Dennis Mann - that would truly be an honor! My current rank is Colonel, Commander of the 2nd Medical Readiness Training Brigade, Army Reserve Medical Command.</p>
